Firestone Building Products entered the waterproofing industry in 1980. Today, we produced and installed over 1.500.000.000 sqm of single-ply membranes worldwide. This performance has made Firestone Building Products a leading manufacturer of EPDM and TPO membranes. We thank you for your interest in our projects.

## Product used

✓ ISO 95+ GL

## Referenties

### Leeds University

---

Leeds, United Kingdom
